Girls Night Out

Office of John M. Taylor, MD

Plan an evening of fun,
beauty and information
with your girlfriends.

Tel: 732-483-1800

Mary Lenskold, PA-C is Dr. Taylor's physician assistant, having earned her Bachelors degree from Rutgers University and her Masters degree from UMDNJ's PA program. She has assisted Dr. Taylor during surgery as well as in the office since 2009.

She began treating our cosmetic patients in 2013 and brings an individualized approach to each patient's treatment plan.

Laura Chestman, RN has been working as Dr. Taylor's nurse since graduating from Brookdale Community College Nursing Program in 2012. She has been a part of his practice since 2008 and is familiar with all surgical and non-surgical options.

Laura's services include CoolSculpting, Ulthera, hair reduction treatments and photo facials as well as facial injectables.

A party is a fun atmosphere to learn about and receive injectables with your friends. Each guest receives personalized advice, time and attention.

Here, in our office, we will give you and your friends a unique **GIRLS NIGHT OUT!**

Invite 4-5 of your friends who are not previous patients of ours and enjoy an after hours party.

The hostess will receive one free injectable of her choice! Your guests will receive the 20% discount. Laura and Mary can accommodate 10-11 guests when working the party together.
